Welcome to Bergen

Gateway to the Fjords

An international city alive with history and tradition, Bergen offers visitors a big city with small-town charm. Founded on an old Viking settlement in 1070, Bergen has been a favorite of travelers for more than 900 years. And for good reason. The old Hanseatic wharf of Bryggen and the silhouette of its ancient gables are perhaps the most familiar images in all of Norway. It has certainly earned Bryggen the position as a symbol of the cultural heritage of Bergen and a place on UNESCO's World Heritage List.

The meander through Bryggen's narrow alleyways are made even darker and more mysterious by overhanging balconies, evoking images of a city untouched by the passage of centuries. Although sixty-one of Bryggen's buildings are preserved and protected they are not a museum, but spectacular examples of wooden architecture that shelter a living community of shops and offices; artists' studios, crafts-people's workshops and restaurants.

And then, of course, there are the Fjords. Voted the world's most unspoiled tourist destination by National Geographic and also included on UNESCO's World Heritage List, Bergen is a great starting point for this spectacular landscape. A mixture of old and new, colorful architecture and just as colorful landscapes offer an extraordinary trip through time and unspoiled nature.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
