Welcome to Copenhagen

The Livable City

Denmark's charming capital city is a metropolis, but one with a human face. In fact, the residents of Copenhagen have been voted the happiest people in the world, and for good reason. The medieval city and its old, cobbled streets provide an evocative backdrop for a thriving cultural scene, evident through its art galleries, museums, music and theatres.

Copenhagen is one of Europe's oldest capitals, inhabited for the past 6000 years, and the Danish monarchy is the oldest in the world. Despite conflict, power struggles and outright wars, Copenhagen continued to grow and prosper and became the capital of the Danish Kingdom in the 13th century.

Today, Copenhagen is a grand and vibrant city of the Baltic, full of landmarks from centuries of eventful history, side by side with modern architecture and thoughtful urban planning. You never have to walk far to find a splendid royal palace or one of the countless edifices of royal houses of the past. Here you'll find Europe's longest city pedestrian street, Strøget, winding its way through the inner city, with shops full of world-class Danish design and fashion.

Discover the idyllic setting for one of the world's most environmentally friendly cities and discover Scandinavia at its best.

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
